

# Dentsply Sirona Academy

## Situation and Solution

Dentsply Sirona, the world's largest manufacturer of professional dental products and technologies, empowers dental professionals all over the world. In order to fulfill their mission, Dentsply recognized the need to expand training opportunities and experiences for their customers. A new training academy and experience center, outfitted with interactive displays and AV from SKC Communications (now AVI-SPL), features training and conference rooms, simulation labs, surgical theaters, and showrooms. Customers now have the opportunity to experiment and become educated with new Dentsply Sirona technology in a modern and interactive space.
