

Free PTZ Auto Tracking Software License with Purchase of Sony's Edge AI Device

Edge Analytical Device w/Auto Track Software Package - REA-C1000/SWPACK

Grab your audience's attention with Sony's innovative AI-based video system that **lets you create powerful real-time video presentations without the added cost of professional manpower, green screen studio, or set up time.**

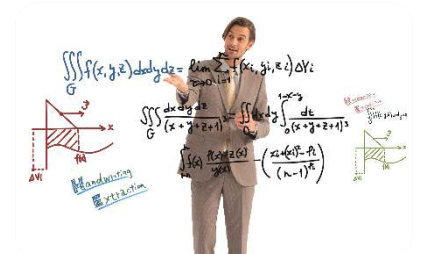

Connected to a SONY PTZ camera, EDGE can **automatically track a presenter smoothly and accurately**, ensuring the focus remains sharp and they always stay within the frame.

- Receive the REA-L0200 PTZ Tracking Software license for **FREE (a \$1,549.00 list price value)** with the purchase of the REA-C1000 Edge Analytical Device. Promotion valid April 1, 2022 thru March 31, 2023.
- To take advantage of this promotion, just make sure your PO reflects the special promotional model # **REAC1000/SWPACK**. **No rebates or claims required.**

OPTIONAL LICENSES ALSO AVAILABLE:

- Handwriting Extraction and Presenter Overlay. Written text and diagrams on a board are captured and brought to the foreground making for a better remote learning experience.
- Chromakey-less CG Overlay. Extract the presenter's figure and overlay it on any background without a dedicated green screen or costly lighting.
- Focus Area Cropping. Show the overview image in 4K alongside a cropped image in HD.
- Close-up by Gesture. Show gestures of audience members in real time.
